

**Brief Description of the Drawings**

On page 6 of the specification, after the paragraph:

“Figure 10 shows one possible implementation for the remote controller/communicator functions of this invention combined with those of a wireless headset.”

Please insert the following:

“Figure 11 shows an example of a vibrating wireless headset according to this invention.”

**REMARKS**

Applicant has amended the Specification to rectify the inconsistency described in the Notice of Drawing Inconsistency with Specification. No new matter has been added. Applicant respectfully requests that the application proceed to issue with the change as shown.
